Washington University School of Medicine: Advances in Pediatrics
Spring 2022 | April 18 – May 31, 2022

Join Washington University physicians at St. Louis Children’s Hospital virtually to learn more about topics relevant to pediatric providers. The conference has transitioned to a pre-recorded virtual format available over a six-week period.

When: Content will be available to view starting April 18, 2022 through May 31, 2022.

Cost: $75 to gain access to all six pre-recorded presentations until May 31, 2022.

How it Works: Once registered, you will be sent a link and password to view the pre-recorded hour presentations. For each presentation, you will receive one CME credit (up to a total of six).

To Register: On or after April 18, 2022, register at: stlouischildrens.org/healthcare-professionals/education

Sponsored by:
Washington University School of Medicine in St. Louis, Continuing Medical Education Office and St. Louis Children’s Hospital

Presented by:
St. Louis Children’s Hospital
