

Washington University School Of Medicine

Affiliated Residency Programs Showcase

**Thursday, October 12, 2023
12:00pm - 3:00pm CST Virtual**

Please join us for our virtual Washington University School of Medicine Residency Programs Showcase, where you can meet our department chairs, residency program directors, faculty, fellows, and residents. You will learn about opportunities to train at our nationally-ranked hospitals while caring for a diverse patient population in St. Louis. You will gain a greater appreciation of our commitment to high quality, culturally appropriate care and health equity.

PROGRAM:

- *Welcome & Introductions*
- *Presentation on Culture*
- *Residents' Panel & Discussion*
- *Resident Directors' Panel*
- *Living in St. Louis*

Senior, 4th-year medical students at LCME- or AOA-accredited schools may register for the showcase. Participants who have overcome adversity are encouraged to register.
