

DIRECTIONS TO ST. LOUIS CHILDREN'S HOSPITAL

St. Louis Children's Hospital is in St. Louis, Missouri in the Central West End area across from Forest Park. It is bordered by Kingshighway Boulevard and Euclid Avenue (on the west and east, respectively), between Children's Place and Parkview Place (on the south and north, respectively).

From Interstate 64/Highway 40 – Exit at Kingshighway North. *[Note: When coming through Illinois, DO NOT exit Kingshighway in East St. Louis, IL. Cross over the Poplar Street Bridge and exit Kingshighway in Missouri.]* The hospital is at the third traffic signal, at the corner of Kingshighway and Children's Place.

From Interstate 44 (Eastbound) – Exit Kingshighway and travel approximately one mile north.

From Interstate 44 (Westbound) – Exit at Vandeventer/Kingshighway, travel approximately 3 blocks west on McRee, and turn right at Kingshighway.

From Interstates 55/70 – Exit to Interstate 44 West and follow the directions above.

PARKING

Employee Parking: The employee parking garage is at the corner of Duncan and Newstead. From Children's Hospital turn right on Kingshighway to right on Forest Park Blvd. Travel to Newstead, turn right. At stop sign, turn right.

General Public: St. Louis Children's Hospital Parking Garage is located at the intersection of Kingshighway Boulevard and Children's Place. To access the garage, turn east onto Children's Place from Kingshighway Boulevard and make an immediate right into the garage. Once you have parked your vehicle, you will want to take the elevator to the second floor walkway.
